

Complaint: Land Consolidation

AND

Class Action Suit Authorities & Personal Experience of Enrolled Oglala Sioux Tribe Member:  
Melaine Wilson

- 1.) 1910 Indian Trust Patents at 25 Years-Unless Sold **before** 1935, should be passed into Allotment Trust Status per 1934 Wheeler Howard Act incorporating the Indian Reorganization Act and acceptance of the Oglala Sioux Tribe Constitution in 1935, Clearing the 25 Year Indian Trust Patents making Trust Lands in perpetuity per the 1924 Revenue Act.

There may be Indian Trust Patents from 1910 to 1934 that may still be Legitimate and should have been turned into Allotted Trust Land through the Acceptance of the 1934 Wheeler Howard Act, also known as, "Indian Reorganization Act" which led to the Acceptance of the Oglala Sioux Tribe Constitution in 1935.

What Process allows for Indian Trust Patents to be Processed currently because our Oglala Sioux Tribe Constitution does NOT allow for that?

Or does the Acceptance of the Oglala Sioux Tribe Constitution negate ALL INDIAN TRUST PATENTS on the Pine Ridge Indian Reservation with it's Acceptance in 1935? Making all Reservation Lands Allotted Trust and Tribal Trust? Oglala County should NOT have very much Fee Status Lands but we do.

\*Related to Case 5:22-cv-5094 Indian Trust Patents

- 2.) Timeline of current Pine Ridge Indian Reservation Trust Lands, as I understand them:

-**1865** Dredd Scott -vs- United States, although this was drafted towards Blacks having American Citizenship, it reads that "Indians are NOT Taxed"

-**1868** Fort Laramie Treaty doesn't have anything in there about "Selling" or "Mortgaging" our Lands

-**1877** Dawes Act making Allotted Lands on the Pine Ridge Indian Reservations

-**1880** First Plat Map of "Red Cloud Indian Reservation Lands" now Pine Ridge Indian Reservation [www.blm.gov](http://www.blm.gov) Attachment of Red Cloud Indian Reservation Lands Plat Map dated 1880

-**1910** Homestead Act only addresses "Bennett" County

-**1910** Indian Trust Patents for 25 Years-Some of these may still be Legitimate because they were supposed to be turned into Allotment Trust when we, Oglala's Accepted the 1935 Oglala Sioux Tribe Constitution

-**1924** Revenue Act making Indians also American Citizens and putting our People, Property and Lands into Trust by the US Government to help save the Reservation Lands of Enrolled Natives. Indians NOT Taxed

-**1934** Wheeler-Howard Act contains and enacts the Indian Reorganization Act-All Indian Trust Patents and Tribal Trust and Indian Allotments in US Federal Trust through the Department of Revenue and Congress

-**1935** Acceptance of the Oglala Sioux Tribe Constitution, this clears the 1910 Indian Trust Patents, unless they were "Sold" and made into Fee Status before 1934. We also didn't know enough about land before 1935 making Indian Ownership into Allotments and Trust Status

- Federal Indian Law (Hornbeck)

- Cohen Indian Law, specifically Land and Property (Intellectual included)
- Bureau of Indian Affairs Manual

-**2000** Land Consolidation Act (We, Enrolled Members should have been able to purchase other Enrolled Members who were selling their Fractionated Interests in Allotted Lands but are blocked at the OST Council and BIA Realty Levels

-**2012 Fee to Trust** from BIA-This is where potentially thousands of Acres Stolen Trust Lands will be "Hidden" in "Trust" from BIA Realty Workers and Oglala Sioux Tribe Council Members of about 30ish Members across the Pine Ridge Indian Reservation

-**2013** This is when I first received a "Proposal" from Department of Interior for my Fractionated Interest Ownerships of Allotted Trust Lands-I called my Aunt Olivia Bruce because Tract 2159 didn't show up

-**2014** Land Buy Back Program began-Unknown to the Enrolled Oglala Sioux Tribe Members, ALL the Fractionated Pieces of Allotted Lands are in the Oglala Sioux Tribe Minutes. These Minutes are not readily available to the public. Intentional hiding in plain site of land available for those 30ish people to steal from and claim at the BIA Realty Office.

- 3.) It is my belief that the three following Time Events in Protests, have shown that these are Calculated Actions and are **Intergenerational Information** and **Intergenerational Strategy** from Pine Ridge Agency Bureau of Indian Affairs Realty Workers and some Oglala Sioux Tribe Council Members, collectively as a Monopoly, have stolen the majority of Current Fee Lands in Oglala County, and Jackson County of the Pine Ridge Indian Reservation through a myriad of patterns of Administrative Tools to include:

- Illegal Indian Trust Patents
- Abuse of Prime Positions of Federal Monies, Assets and Lands
- Abuse of the Enrolled Oglala Sioux Tribe Members and Oglala Sioux Tribe Elders

\*Bennett County is under separate regulations from the 1910 Homestead Act but is still affected by the above Administrative Tools.

-**1972 Oglala People Take over of the Bureau of Indian Affairs Building in Washington, DC.** Oglala Lakota Elders knew Land was missing from Tribal Trust by Pine Ridge Agency Bureau of Indian Affairs Realty but couldn't prove it.

-**1973 Oglala People Wounded Knee Take Over.** Oglala Lakota Elders knew Land was missing from Tribal Trust by Pine Ridge Agency Bureau of Indian Affairs Realty but couldn't prove it.

-**1999 Oglala People Take over of the Red Cloud Tribal Building in Pine Ridge Agency, Pine Ridge, South Dakota-** Oglala Lakota Elders knew Land was missing from Tribal Trust by Pine Ridge Agency Bureau of Indian Affairs Realty but couldn't prove it.

- 11.)-**2014** Submitted for Land Consolidation – Denied Tract 30 Acres for 30 Acres
- 12.)-**2014** Gifted Olivia Bruce Allotted Land with No Financial Trade, took paperwork to BIA Realty but was told I needed the Death Certificate and BIA Probate had to have a copy as well.
- 13.)-**2015** Submitted for Land Consolidation – Denied Tract 30 Acres for 30 Acres
- 14.)-**2015** No “Gift” from BIA Realty on Aunt Olivia Bruce
- 15.)-**2016** Submitted for Land Consolidation – Denied Tract 30 Acres for 30 Acres
- 16.)-**2016** No “Gift” from BIA Realty on Aunt Olivia Bruce
- 17.)-**2017** Submitted for Land Consolidation – Denied Tract 30 Acres for 30 Acres
- 18.)-**2017** No “Gift” from BIA Realty on Aunt Olivia Bruce
- 19.)-**2018** Submitted for Land Consolidation – Approved \*CHALLENGE\* 30 Acres for 20 Acres, it should be 30 Acres for 30 Acres. Nothing in the 1868 Treaty states anything about “Selling” Land nor the “Value” of Land. The Oglala Sioux Tribe Constitution doesn’t allow for “Selling” or “Mortgaging” Trust Lands and I want to know who is leasing our Trust Lands and for how much and where is that money going? Where does the MISSING 10 Acres go?
- 20.)-**2018** Submitted for Residential Lease on Approved Land Consolidation  
\*CHALLENGE\* Why do I have to lease my own Land Consolidation? Attachment of Residential Lease from 2018-**Still NOT APPROVED**
- 21.)-**2018** Called by Sherry Hussman from Pine Ridge Bureau of Indian Affairs Realty to tell me (Melaine Wilson) that Pine Ridge BIA Realty is putting a Right of Way in the middle of my newly approved Tract of Land. Personal vendetta, Abuse of Authority
- 22.)-**2018** No “Gift” from BIA Realty on Aunt Olivia Bruce
- 23.)\*CHALLENGE\* I request a list of all those who did Land Consolidations and their locations and the size of their Tracts. Per the Bureau of Indian Affairs Manual, it states I can request a List of All contact information for the Other owners of Trust Lands. Not just in the same Tract, but ALL OTHER OWNERS in TRUST and how much they own and when they “Received” it.  
Cohen Indian Law Chapter 8 and Chapter 9 Individual Rights of Indian Property
- 24.)-**2018** Addressed BIA Realty Complaints of BIA Realty Workers Sherry Hussman and Nellie Pourier to Oglala Sioux Tribe Land Committee and moved the Right of Way to East side of Tract. Nellie Pourier’s sibling is Oglala Sioux Tribe Council Member David Pourier, who stated the OST

Land Committee would send a Letter to Senator Rounds on my 2 Complaints against BIA Realty. I imagine that never happened.

- 25.)-**2018** Gifted All Allotted Land by Patrick Herman Lee with trade of \$1000.00 Bank Check from USAA. He was diagnosed with a bad heart condition. He passed away in 2020. Still waiting on "Gift"
- 26.)-**2019** No "Title" on Tract 10207. Awaiting Land Valuation from Nellie Pourier at Pine Ridge Agency Bureau of Indian Affairs Realty Office
- 27.)-**2019** No "Gift" from BIA Realty on Aunt Olivia Bruce
- 28.)-**2019** No "Gift" from BIA Realty on Patrick Herman Lee
- 29.)-**2019** No Residential Lease on Consolidated Tract 10207
- 30.)-**Circa 2019** Called Bureau of Indian Affairs in Pierre, South Dakota and spoke to Jay Vance who took 20 minutes to complete a Land Valuation on all my Fractionated Portions of Land
- 31.)-**2019** Addressed Oglala Sioux Tribe Land Committee and submitted Complaint against Pine Ridge BIA Realty, Nellie Pourier worker. Her Brother who was on the Oglala Sioux Tribe Land Committee stated that they will have the Oglala Sioux Tribe Attorney, Russell Zephier, prepare a Letter of Complaint against BIA Realty and send it to Senator Rounds Office of South Dakota, but Senator Rounds does not have Jurisdiction over Trust Lands on the Pine Ridge Indian Reservation, so this is where the "Volley between OST Land and BIA Realty" happens. It's a game they have been playing with the lives of the Enrolled Oglala Sioux Tribal Members who have been trying to get their Land Consolidated, and/or Partitioned, and other Administrative Tools.
- 32.)-**2020** No "Title" on Tract 10207. Awaiting Land Valuation from Nellie Pourier at Pine Ridge Agency Bureau of Indian Affairs Realty Office
- 33.)-**2020** No "Gift" from BIA Realty on Aunt Olivia Bruce
- 34.)-**2020** No "Gift" from BIA Realty on Patrick Herman Lee
- 35.)-**2020** No Residential Lease on Consolidated Tract 10207
- 36.)**Sent many Certified Mail with Receipts**-Fractionated Tract of Land for Petition to Partition and Residential Lease Requests for other owners on the Same Tracts of Land. Many believed I was "Stealing" their Land and I have several broken relationships with my blood relatives because of Allotted Land and not signing documents.

37.)-**2020** Attended a Cannabis Meeting at Pine Ridge Pow Wow grounds. The group there of Oglala Sioux Tribe Veterans asked me (Melaine Wilson) to help them set up Hemp and Marijuana Businesses across the Pine Ridge Indian Reservation. I accepted.

38.)-**2020** Worked with 3 Cannabis Attorneys who were hired by the Oglala Sioux Tribe Council on writing up **Ordinance 20-66-Oglala Sioux Tribe Cannabis**, **NONE OF OUR Oglala Sioux Tribe Veterans REQUESTED INPUTS WERE IN THE FINAL ORDINANCE** as agreed upon during OST Council Session October 27, 2020. My documents were read by OST Council Member Cora White Horse before the Vote to incorporate the Inputs. Only OST Council Member Cora White Horse's changes were Incorporated, but she used "OUR SIGN IN SHEETS" as the ones who wanted her Inputs. I also requested all the Land AND Buildings in Cactus Flats off I-90 be given to the Oglala Sioux Tribe Veterans for whatever Legal Businesses they choose to do. That can range from Art, Employment, with Laws adhered to with Transparency.

39.)-**2020** Began writing Business Prescription for the Oglala Sioux Tribe Veterans and all other Oglala Sioux Tribe Enrolled Members. I "Angel" donated 1 Acre in Tract 2159 located 1 Mile West of Martin, South Dakota with the Oglala Sioux Tribe donating 19 Acres as written in our Inputs for the Cannabis Ordinance, 20-66. This would open up "Ina's Tipi" to be ran by OST Veterans for OST Orphans and OST Foster Children who are teens getting ready to be on their own. I requested Petition to Partition of Tract 2159 of 1<sup>st</sup> Choice of Location, then I could donate my 1 acre to the Oglala Sioux Tribe Veterans at 2<sup>nd</sup> Choice of Location, then all others.

40.)-**2020** Walked into Pine Ridge Agency BIA Realty and spoke to Kris O'Rourke Superintendent of Pine Ridge Agency BIA Realty (Sibling of OST Council Member Michael Carlow and OST Council Member Ella John Carlow) on my Land Consolidation of 30 Acres for 30 Acres and 2 Relatives who had "Gifted" me their Allotted Lands. Olivia Bruce (No charge) and Patrick Herman Lee (USAA Check).

41.) -**2020** Began:

- 1.) **Melaine Wilson, LLC** (For Profit)
- 2.) **Skunk Hyde, LLC** (Class Action Suit against the Oglala Sioux Tribe Hemp Commission to follow)
- 3.) **Lakota Blaze, LLC** (Class Action Suit against the Oglala Sioux Tribe Cannabis Commission to follow)
- 4.) **Melaine Wilson, M.A.M.A.** (Non-Profit)
- 5.) **Oglala Sioux Tribe Veterans, LLC for EACH District** (Part of each of the "Against" Hemp and Cannabis Commissions)

42.)-**2021** No "Title" on Tract 10207. Awaiting Land Valuation from Nellie Pourier at Pine Ridge Agency Bureau of Indian Affairs Realty Office (Personal Vendetta)

43.)-**2021** No "Gift" from BIA Realty on Aunt Olivia Bruce

44.)-**2021** No "Gift" from BIA Realty on Patrick Herman Lee

45.)-**2021** No Residential Lease on Consolidated Tract 10207

46.)-**2022** No "Title" on Tract 10207. Awaiting Land Valuation from Nellie Pourier at Pine Ridge Agency Bureau of Indian Affairs Realty Office (Personal Vendetta)

47.)-**2022** No "Gift" from BIA Realty on Aunt Olivia Bruce

48.)-**2022** No "Gift" from BIA Realty on Patrick Herman Lee

49.)-**2022** No Residential Lease on Consolidated Tract 10207

50.) -**2022** I began Business Building:

**1.) Oglala Sioux Tribe Veterans, LLC (Only to start the Business Process, then someone else can work with the Small Business Administration)**

51.)-**2022** February, I began submitting Complaints to the Department of Interior Inspector General. Something is wrong between Bureau of Indian Affairs Realty AND Oglala Sioux Tribe Council for the POWER they have over Businesses. Unsure of what the Connection is.

52.)-**2022 JULY, I discovered their patterns and connections of thousands and thousands of Tribal Trust Acres, mostly Agricultural and Waterways such as creeks and rivers have been stolen by BIA Realty Pine Ridge Agency, using them for Cattle breaking the Winter's Doctrine making sure we have access to Waterways that are potable and palatable. The thousands of Acres that have been STOLEN by Pine Ridge BIA Realty AND Oglala Sioux Tribe Council have been since at least 1955. More Research will reveal how many Indian Trust Patents were fraudulently used since 1935 when we Accepted our Oglala Sioux Tribe Constitution showing we moved from Trust Patents to Allotments. I immediately submitted a Class Action Suit-Pro Se- from myself and the Enrolled Members of all Nations Served by Bureau of Indian Affairs in Rapid City, South Dakota Federal Court. Case # 5:22-CV-05094-KES "Six Sigma Process Indian Trust Patents" also related to several other Court Cases. I still do not have an Attorney.**

53.)-**2022** Lease Act from Department of Interior on Allotted Lands. My suspicion is that the group of about 30ish Bureau of Indian Affairs Realty Workers and several Oglala Sioux Tribe Council Members have taken Allotted Lands and Consolidated Lands since the 2000 Land Consolidation Act and put them into their Own Names or their Beneficiaries Names. No one Member should own realistically, 320 Acres. I am requesting all the Names of Ownership of Consolidated Lands with Totals and Locations as well as Names of Ownership of Allotted Lands with Totals and

Locations of ALL Enrolled Oglala Sioux Tribe Members. This will open many new doors amongst us.

- 54.)-**2023 Still NO TITLE TO Tract 10207 for 5 years now since APPROVED in 2018.** Awaiting Land Valuation from Nellie Pourier at Pine Ridge Agency Bureau of Indian Affairs Realty Office (Personal Vendetta)
- 55.)-**2023** No "Gift" from BIA Realty on Aunt Olivia Bruce
- 56.)-**2023** No "Gift" from BIA Realty on Patrick Herman Lee
- 57.)-**2023** No Residential Lease on Consolidated Tract 10207

**How many Oglala Sioux Tribal Enrolled Members have suffered from Pine Ridge Agency Bureau of Indian Affairs and the Oglala Sioux Tribal Council for these approximately 30ish Federal Employees to have so much POWER to steal Federal Monies, Assets and Trust Lands, and even outside our own Reservation and keeping it hidden from the Oglala Sioux Tribe Enrolled Members?**

- 58.)-**2023** Submitting Class Action Law Suit against Department of Interior, Bureau of Indian Affairs, and Oglala Sioux Tribe Land Committee and Oglala Sioux Tribe Council
- 59.)-**2023** Service Member and Veterans Act of 2020 to work with the OST Attorney General on Veteran Issues-Direct Access to Congress at State Level. OST Attorney General to work directly with Department of Justice for Service Members and Veterans concerns and requests
- 60.)25 U.S. Code § 2210 - Tax exemption
- 61.)Dredd Scott vs United States 1865-Indians are NOT Taxed
- 62.)Revenue Act of 1924 giving American Citizenship to Indians-Indians are in "Trust" and NOT Taxed

### Requests for Remedy

- 1.) -Request for Land Consolidation of 30 Acres for 30 Acres, with Top Soil Replaced by Oglala Sioux Tribe for Strip Mining my "Approved" Tract of Land Consolidation since 2018 with Compensation for Melaine Wilson. **Personal Value of \$50K**
- 2.) -Request "Partitions" on Tracts 2159, and 6167. BIA Administrative Cost of \$1,000.00
- 3.) -Request DOI and BIA prepare Processes for Six Sigma Processes for:
  - a.) Land Consolidations
  - b.) Fee to Trust
  - c.) Partitions
  - d.) Residential Leases
  - e.) Business Leases for ease of the Enrolled Oglala Sioux Tribe Members
  - f.) Online Plat Map Access for Leases and Businesses both OST Vendor and Uniformed Commercial Code through the Bureau of Trust Funds Administration using our Enrollment Numbers
- 4.) -Request Bureau of Indian Affairs Pine Ridge Agency be "Dissolved" immediately by the Secretary of Interior, any remaining Services to be Provided by Aberdeen, South Dakota BIA Office. BIA Administrative Cost of \$2 Million
- 5.) -Request Red Cloud Indian Building (Oglala Sioux Tribe Tribal Office) be moved to a Central Location on the Pine Ridge Indian Reservation such as Wounded Knee, Allen, Porcupine or Kyle, South Dakota, but moved away from the Town of Pine Ridge, South Dakota 57770. New Facility to have Official Offices for ALL Oglala Sioux Tribe Executive Officers & their Staff, ALL Oglala Sioux Tribe Council Members & their Staff, OST Enrollment, OST Leasing Office, OST Land Office, OST Voting Commission, OST Hemp Commission, OST Cannabis Commission, OST Economic Development Committee and OST Housing Office located at this Central Location for a New Red Cloud Indian Building (Oglala Sioux Tribe Tribal Office). BIA Administrative Cost of \$500K and Building Cost of \$150 Million
- 6.) -Request Bureau of Trust Funds Administration (BTFA) give online access to Enrolled Members of a Plat Map of the Pine Ridge Indian Reservation showing who has ownership of the Trust Lands within our 3 Counties of Oglala, Jackson, and Bennett. My fear is that the "Fee to Trust" has been abused along with the "Land Consolidation" in Pine Ridge Agency Bureau of Indian Affairs Realty Office Workers who have Stolen thousands of acres of Reservation Trust Lands through Indian Trust Patents which were supposed to be discontinued by the Acceptance of the Oglala Sioux Tribe Constitution in 1936 after the Indian Reorganization Act via the Wheeler Howard Act of 1934.

- 7.) It is my belief that these Federal Acts could have worked if there were "Transparency" in all the workings of the Oglala Sioux Tribe and Pine Ridge Agency Bureau of Indian Affairs, but certain workers in Prime Positions have hidden behind the 1974 Privacy Act and telling OST Enrolled Members to take them to Court if they want information. I request Transparency as the Transparency Act 2008 is in effect.
- 8.) Business Building for the Oglala Sioux Tribe Veterans-**Personal Value of \$100K**
- 9.) Business Building for Melaine Wilson-**Personal Damages Value of \$400K**
- a.) Melaine Wilson, LLC-\$100K
  - b.) Melaine Wilson, M.A.M.A, LLC-\$100K
  - c.) Skunk Hyde Products, LLC -\$100K
  - d.) Lakota Blaze, LLC-\$100K

**This Personal Damage to myself from the Department of Interior, Pine Ridge Agency Bureau of Indian Affairs and Oglala Sioux Tribe Land Committee and the Oglala Sioux Tribe Council for 10+ Years Total 2013-2023 for a Total of \$550K**
